AMERICAN REVOLUTIONARY UNIFORMS

NECK: Measure around the neck just above the shoulders.

SLEEVE: With arm relaxed at side and slightly bent, measure from center back neck, over point of shoulder, down the outside of the arm to the wrist bone. (The above two measurements should be the sleeve measurement of a store dress shirt you currently buy. i.e., 16 -35)

CHEST: Measure just under the arms and across shoulder blades with arms relaxed at the side. Be sure to keep the tape level.

WAIST: Measure around the waist at your normal waistband. For Vest, if your stomach is larger than your waist, please write in that measurement on the order form also.

INSEAMS: Measure inside leg while standing and wearing a pair of comfortably fitting pants. For breeches, from bottom of knee cap, down 2" extend line to inseam and measure up to crotch seam (where seams join)
For trousers, from crotch seam to desired length at ankle.

RISE: Measure comfortably fitting pants, from top of waistband to crotch seam in front, and from crotch seam to top of waistband in back.
